Greetings from St. Ann,

As we entered into Holy Week and the upcoming Easter Sunday- we spent the week providing opportunity for the residents to reflect on the Stations of the Cross and participated in a daily prayer which was announced over the intercom system at 1130AM each day. Collectively we prayer together for a safe progression through the COVID-19 pandemic and to honor the sacrifice Jesus made for all.

This week we celebrated National Carmel Popcorn day- Tuesday with a special treat while enjoying the outdoors with the wonderful weather we had earlier in the week. We played Easter Egg Bingo, exercised, decorated our walkers & wheelchairs for spring, did chair yoga, played word games, and today we decorated Easter eggs with shaving cream and food coloring- it was as interesting as it sounds. 😊

This weekend there will be an Easter Egg scavenger hunt for the resident to pair up with a staff member to find the eggs- this will be held outdoors- weather permitting over the 2 day weekend. On Sunday we will celebrate Easter with a lunch meal consisting of baked ham with pineapple, au gratin cauliflower, mashed sweet potatoes, peas and lemon meringue pie- yummy 😊

Thank you all for your continued support and prayers and we continue to navigate through this very challenging situation for a us all.
