Subject: 4.24 St Ann update

Greetings from all of us at St. Ann...

Thank you so much for the cards and continues prayers & well wishes to all of us here at St. Ann. The staff truly appreciate your support as we continue to do our very best to take care of your loved ones as our selves. We continue to take each day as it comes and make the best out of the situation which has been bestowed upon us.

This week we were treated with a lunch donation from Jane Gallant and her family. Thank you so much for the treat- it was much appreciated.

Some highlights from this week include- hallway trivia- gotta keep those minds active; exercise, music & movement, sing a songs, wine tasting, an obstacle course with 6 different physical activities, some time outside when it was warm enough, word games, and a hallway coffee social. We also held our monthly Resident Council Meeting and they had some great ideas for things to come.

The staff was wondering what your thoughts were on having a family parade come by the facility. We all miss seeing you and your smiling faces and thought this might be a fun way to see you- from a distance. Perhaps Mother's day? I might even be able to coordinate something with the fire & police department to assist with the event. If this is something you are interested in- please let me know so we can schedule a time.

Please continue to come do window visits with your loved ones and don't forget about the Google Duo/Video Chat option. We are asking however that you do not plan them for 2PM as this is a prime activity time in the facility. Please reach out to Jesse Tayler sta.swdir@nh-cc.org and Krista Charles sta.sw@nh-cc.org to coordinate a visit. We all miss you!

Thank you & stay safe!
