October 31, 2020

I am sad to report that we had another staff member test positively for COVID-19. He/she is at home and on isolation and has not worked since early into the week.

He/she was tested prior to the mobile testing unit coming- he/she was tested on 10.28.2020 and just learned of his/her results this afternoon.

We are continuing to monitor all staff and residents closely for any signs/symptoms.

I expect to begin getting test results from our tests on 10.30.2020 to begin coming in Sunday and Monday. We are hoping for better news.

I will do my best to keep you all informed as we learn more, but know we are doing everything we are supposed to be doing at this time to assist with our current situation.

Please continue to pray for all of us as we need your support.

Thank you,

Kate McCracken LNHA, MHA
