Good evening,

I am still awaiting the results on all the staff and all the residents except 1.

We have 1 COVID+ test result on a resident. He/she is on quarantine and on the COVID + unit

I will let you know when the remaining results come in. The state lab is overwhelmed with the number of tests being sent and the outbreak that is occurring within the state of New Hampshire. All we can do is wait.

Thank you,

Kate McCracken LNHA, MHA
