December 2, 2020

Good evening,

It is with great joy and relief that I can report that all the COVID test results from our testing on 11.27.2020 are in and all results are NEGATIVE!

We are slated to test again this Friday, but this is great news all around.

I am so thankful for this team - my St. Ann team- for their commitment, long hours and continuous efforts to help contain our outbreak.

We will not move into the next phase until we are told to do so by the NH Department of Health & Human Services and I will let you know when we move out of Phase 0. We have to go 14 days with no new cases.

Thank you all so much for your support and prayers.

Kate McCracken LNHA, MHA
