December 15, 2020

Good evening,

All of the test results from our testing on 12.11.2020 are back and I am pleased to report we are ALL NEGATIVE. This will make week 1 clear. We need to be clear again with the testing on 12.18.2020 to clear our outbreak status. Please pray for another week of no new cases.

Please continue to be safe - practice social distancing, wash your hands and avoid touching your face and face mask.

Fingers crossed for more new good news next week.
