January 06, 2021

Good afternoon,

It is with regret that I must report that while I am still awaiting the results of 18 tests, I learned this afternoon that we have one staff member whom tested positive for COVID. He/she has been informed and has been sent home to quarantine.

I am hopeful that this will be the only positive case and that it is an isolated incident. More to come as I learn more and get the rest of the results.

Thank you,

*Kate McCracken LNHA, MHA*
