Good afternoon,

We are still awaiting the results of 2 tests, but I am pleased to report all the results in thus far have been negative.

This is great news and a continued reflection of the hard work the staff are doing to stay safe as the positive cases within our own state continue to rise.

I have contacted the lab to request an inquiry about the 2 remaining tests and hope to get a response and results by morning.

Thank you for your continued support and prayers.
