January 29, 2021

Good afternoon,

Today we completed our second round of COVID testing for staff. We are still awaiting a few staff to complete testing, but thus far we remain NEGATIVE.

Next week we will be welcoming our new Food Services Director, Holly Couch. Holly brings with her over 15 years of experience in the Food Services Industry. I had the pleasure of working with Holly in my previous employment and know she will be a great addition to the leadership team here at St. Ann.

Life Enrichment Update: A busy week here at St. Ann. Highlights for our COVID-compliant schedule included a new game, Wheel of Fortune, where participants enjoyed choosing puzzle letters using a spinning wheel. Our craft project this month featured paper hearts decorated with exotic designs using shaving cream and food coloring (sounds odd but it works!). For our monthly Travel the World series, we stayed close to home through a virtual trip around New England that included delicious homemade New England Clam Chowder! As always, one-on-one visits with residents continued throughout the week, with several of these residents particularly enjoying clam chowder as a special treat. Two regular favorites, Manicures and Hallway Bingo were as popular as ever. And regular offerings of Fitness Fun, Gentle Stretch and Letter Scramble (using letter dice) received positive reviews from residents.
