February 05, 2021

Yesterday we completed our second round of COVID testing for staff. We all remain NEGATIVE.

This week we welcomed our new Food Services Director, Holly Couch and welcomed back an LNA.

Next week we will be hosting our 3rd and final Covid 19 vaccine clinic on Tuesday, February 9th from 10AM – 2PM.

Life Enrichment Update

We engaged in several of our favorite games including Fact or Fiction, Big Word and Little Word, and the Price Was Right (where we guess prices from the 1950s and 1960s – boy, were things more affordable back then!). Physically-focused games earned high marks from our residents as they participated in Bean Bag Toss and Women's Chair Bocce. Special events included our Groundhog Day celebration featuring a fun, Mad-libs writing event and February Trivia which was enjoyed as we feasted on our home-made Carrot Cake. Fitness took center stage with our Gentle Stretch and Fitness Fun experiences. New this week - Hallway Happy Hour with tasty nibbles and adult beverages completed the week with positive spirits (pun on words)!

Have a great weekend and enjoy the Super Bowl if you partake in football. Might seem weird for some of us Patriots fans to continue to cheer Brady on – even though he's with a new team, but we wish all the players a safe game.
