February 17, 2021

Good afternoon families and residents,

The results of the COVID testing completed on Monday are in and we all remain negative. We will test staff again on Thursday, February 18th

Today, we were pleased to be able to welcome Father Aggie into the community to offer Ash Wednesday blessings to all those who wanted to partake in receiving the ashes. Father Aggie was well received by our residents and tenants as he always offers a smile (while behind a mask) and comforting words.

Today, CMS reports that Strafford County positivity rates are at 14.4%. This continues to dictate that we continue with 2x a week COVID testing for staff and remains to prevent our ability to offer in-person indoor visits that are not considered compassionate care visits.

Please check out the newly launched Facebook page for St. Ann Rehabilitation & Nursing Center. You can find it on Facebook by searching St Anns Rehab. Thank you so much for your support and prayers, we all hope to see you soon.
