February 25, 2021

Monday, we completed our 1st of two rounds of COVID testing. Due to the snow and freezing rain- it seems that it took Fed Ex longer to get the samples to the lab in North Carolina; however, this morning the results are in and we are all negative. Today we are completing round 2 of testing and we all remain negative.

Please be sure to check out our new Facebook page (St. Anns Rehab) where you will find some highlights of the happenings here at St. Ann- you might even catch a glimpse of one of your loved ones engaged in a fun activity. Please check it out and share this page with your friends and family.

Life Enrichment update:

Another active week here at St. Ann with two favorites – Gentle Stretch and Hallway Bingo. Moving forward, residents enjoyed manicures and relaxing Hallway Happy Hours. We also celebrated National Dog Biscuit Day by baking our own dog biscuits and donating them to the local pet shelter right here in Dover. Finally, we topped off the week with something new – the St. Ann Drum Circle which was well received by all of the participants. The Life Enrichment Manager, Mark finished his tenure here at St. Ann on Wednesday. His departing words were of thanks to St. Ann for the wonderful opportunity to serve our residents and to work with our incredibly dedicated staff.

Staffing update:

This week we interviewed three candidates for the Life Enrichment Manager position. We are looking forward to comparing our notes on these interviews and selecting the candidate who will be the best fit to join the St. Ann team and to bring some fresh new fun ideas to our Life Enrichment Program.

Next week we will be welcoming the addition of 2 Dietary Aides and 1 LNA. We are excited to have these new faces join the St. Ann's family.
