Good afternoon family & friends

Happy New Year. I wanted to provide you with a quick update on COVID here at STA. Today he completed a round of testing on all residents and unfortunately, we had 1 new case. We also had 5 of our previously positive residents test NEGATIVE.

We have not had any new staff cases.

We are optimistic that we are at the turning point for his outbreak and have notified NH DHHS with an updated line list of COVID activity today.

We will test again on Thursday 1/05/2023

Please stay safe and remember that face masks are required when visiting the facility.

Thank you,
