January 9, 2023

Good afternoon family & friends

Today we completed another round of testing on all residents. We had no new cases to report. This is great news.

We have not had any new staff cases.

We are optimistic that we are nearing the end of this current outbreak and have notified NH DHHS with an updated line list of COVID activity today.

We will test again on Thursday 1/12/2023

Please stay safe and remember that face masks are required when visiting the facility.
