March 13, 2023

Good morning,

Regrettably I am writing to inform you that we had another staff person test positive for Covid yesterday. He/She is home and on quarantine.

This makes the second case over the course of a week here at St Ann – within the same department. Staff remaining in that department are reminded that an N95 is needed while we have an uptick in cases within their department.

I do not have reason to be concerned with resident cases at this time; however, we will continue to monitor for any signs/symptoms- test as needed and proceed under the directions of our policies and procedures.

Should you have any questions or concerns, please do not hesitate to reach out to me.

Kate McCracken, LNHA, MHA
